**Commissioner for Patents**

In response to telephone query as to what claims are indeed allowed, the NOA erroneously listed claims 4-14, 44-69, should have stated claims 4-15, 44-69. Furthermore, in response to applicants' representative query with respect to the previously noted drawing objection, a review of the claims vis-à-vis the identified sections leads the examiner to the conclusion that no drawing correction is needed. Attached hereto is a corrected copy of the Notice of Allowability.
